

Parklands Care Home, Alloa

Welcome to Meallmore's state-of-the-art, purpose built nursing home in Alloa.

Here at Parklands we provide high quality, personalised nursing care for elderly people including those with dementia and its related conditions.

We offer 62 fully furnished, en-suite bedrooms finished to exceptionally high standards including large dual aspect deluxe rooms.

As Care Home Manager, I am committed to developing a relaxed and happy home where people enjoy living and working. We like to keep our residents active and offer a variety of activities that can be personalised to ensure residents can participate and enjoy them at their leisure.

Parklands offers extensive communal space which is adaptable according to the needs and wishes of our resident group; this includes:

- Assistive technology to support the freedom of choice, dignity and care of our residents with dementia
- Six lounge/dining areas to ensure our residents can choose their preferred area to socialise, as well as enjoy the nutritional meals prepared by our highly skilled catering team
- A dedicated activity and reminiscence room, along with a hairdressing/beauty salon

Our aim at Parklands is to provide a homely atmosphere whilst delivering high quality and professional person-centred care and support; we ensure our residents, and their families are involved at all stages of care planning so we can work together to reach desired outcomes.

If you are interested in finding out more about Parklands please call me on **01259 720172**. You are very welcome to visit us to view the home and meet with staff or I will come and see you in your home.
