Welcome to Greenan Manor

Greenan Manor is located in Ayr and boasts spectacular coastal views over to the Isle of Arran. Greenan Castle is situated one mile from our care home, highlighting the unique Scottish heritage of the area.

The building features patio doors, large windows and outside terraces, providing ample space to enjoy the scenic view. The ground floor bedrooms offer access to the attractive landscaped gardens, while some of our first floor bedrooms have private balconies.

Greenan Manor's seaside location is reflected in the interior design of some of the communal rooms, helping to bring the outdoors in. The tasteful décor and attention to detail in the interiors creates a relaxed ambience which creates a truly luxurious feel.
